Mr. Adolph Lopez, of St. Louis, the last week in July received a check for \$3000, in payment of the life insurance policy held by his brother, the late Mr. J. Lopez, in the Endowment Rank of the Knights of Pythias. As Mr. Lopez's death occurred July 2d, this is quite prompt payment.

A fine of \$1.00 and costs was assessed against the defendant. Day and Richardson are neighbors and had some trouble over a ditch leading from Richardson's on to Days' land.

Quite a number of people from Bellevue and vicinity were before the county court Monday asking for a change of the Cedar Creek road west of Bellevue. A number of citizens were also present remonstrating. The court rendered a decision Tuesday granting the change, provided the petitioners would subscribe sufficient money to pay for the new right-of-way.

The following young people formed a party that spent a pleasant day on Monday in the vicinity of Ironton: Misses Gladys and Glenda Gray, Sarah Waters, Grace Higley, Alma Smith, Elsie Reuter, Florence McCormick and Reta Baumann, Messrs. Emmet Asbury, John Neider, Heber Nations, Joe Zimmer, Reinhardt Lang, Fred Isenman and Vernon Doss.—Farmington News.

Dr. Hugo Summa is spending the month of August with his family at their lovely home in Russellville. Dr. Summa has one of the most delightful places in all this country, but contemplates more improvements in the near future. He will shortly build a Chinese pagoda to a considerable elevation that will give him a splendid view of all the surrounding valley. Several other improvements are also intended.

Prof. Chas. Bliss, who has been visiting his brother, Dr. E. W. Bliss, in this city, will leave August 10th for the Philippine Islands, after a pleasant visit in Missouri. The past week or two he has spent with his father at Sherman, Mo. Prof. Bliss was a former principal in the De Soto high school, and is well known here. His many friends were glad to see him, after a three years' absence spent in the Philippine Islands, where he has charge of a school.—De Soto Press.

An inventory of the estate of the late Philip W. Schneider, president of the Schneider Granite Co., who died on a Baltimore and Ohio train near O'Fallon, Ill., while returning from a trip taken for the benefit of his health, filed with the probate court yesterday, shows personal property amounting to \$13,226.94, divided as follows: Notes and interest, \$520; stocks, \$34,950; cash, \$3,061.94; goods and chattels, \$195; deed of trust, \$4500.

The real estate is listed as fifteen acres, improved, fronting on Grand avenue between Lerman avenue and Mermec street; 50-foot lot and improvements on DeKalb street, in city block 734; 25 feet on Main avenue, in city block 3229A; 33 feet on Kosciuszko street, in city block 734E; three lots of 34, 33 and 33 feet each, with improvements, on Third street, in city block 742; 25 feet and improvements and 33 feet and improvements on Park avenue, in city block 2265; house and lot in Greenwood, St. Louis county; 180-acre farm in St. Francois county, Mo., and a 77-acre farm in Randolph county, Ill.—Globe-Democrat.

Carrie Nation was on the train going toward Dexter last evening. She made known her presence by sticking her head out of the car window and questioning in a loud voice: "What do you men mean by allowing that lot to slop to stand around here?" She had reference to about a dozen beer cases that had just been put off the train. It was suggested to her that the train would be held at the station for about half an hour, and that she ought to take advantage of the occasion to deliver a talk. And she "lit in." Quite a crowd was gathered about and appreciated her remarks as they would those of any other monomaniac. The old lady is not unpleasant featured and her notoriety enables her to sell slathers of miniature hatchets, from the proceeds of which she makes her way through the world. She sold a number of them last evening. She remarked that everybody had deserted her; that she had been cuffed and beaten and in twenty-five jails; "and it's easy to get into jail," added she, "but it takes something to get out again—and I always got out." She was on her

way to the Dexter chautauqua, where she is to become a star attraction.—Charleston Enterprise.

Fredericktown does not appear to be a good field for veterinary surgeons or else we get a bad lot of them. A couple of months ago a "Dr." Wilson, an up-to-date veterinary surgeon, blew into town, hung out his shingle, drove fast horses and a couple of women, killed some fine stock for some of the people of Madison county by not understanding his business, and left between two suns when another veterinary surgeon named "Dr." Temple arrived in this city and whispered it around that "Dr." Wilson was minus a diploma and had no right to the title of "Dr."

Exit Wilson. Dr. Temple "practiced" around here for two or three weeks, drove fast horses, but only sported one woman who was supposed to be his wife. While he was in this city Sheriff O'Bannon received letters from parties in Rolla, making inquiries about the doctor and his "wife." It seems the team the doctor drove was mortgaged to parties in Rolla. Before the necessary papers to take possession of the team was received by Sheriff O'Bannon the doctor had left Fredericktown, but the sheriff overtook him in Iron county and the doctor readily turned the team over to him, the owner taking possession under the mortgage. The woman with the doctor here is said to have a husband and three children at Rolla, and the doctor also has a wife and three children at Rolla. A man from Rolla came here for the team.—Fredericktown Democrat-News.

I last week had the pleasure of becoming acquainted with Gen. Jacob A. Smith, for a few days the guest at Wm. H. Thomson's "Valley Home." The General is not a "heavy weight," corporeally speaking, but is a typical soldier and officer. He is a fluent conversationalist, unassuming and affable. There is an air of quiet determination about him that impresses one, and his earnestness and sincerity cannot be questioned. Saturday evening a few citizens drove over from Ironton to the "Valley Home," and were cordially greeted and pleasantly entertained. There was no formality, but much enjoyment. At the request of the host, the General gave a very short and modest resume of his services in the Philippines and the incidents which led to his retirement from the army. It was very interesting, and I may at another time recur to it. After his retirement from the President, Gen. Smith (I copy from yesterday's Republic) "went abroad with his wife and remained away from the United States for three years, traveling everywhere in Europe and Asia. Mr. Thomson's two daughters traveled with them for nine months under the chaperonage of Mrs. Smith, only recently returning home. Upon the return of Gen. and Mrs. Smith to the United States about two weeks ago they came immediately to 'Valley Home,' the summer residence of Mr. Thomson at Arcadia, Mo. Here they spent the week as the guests of the Misses Thomson. Mr. Thomson passing Saturday and Sunday with the party. General and Mrs. Smith departed last night for a visit to relatives at Albert Lea, Minn., having been guests of Mr. Thomson at luncheon at the bank cafe yesterday afternoon, at which Captain Cornish of Jefferson Barracks was present. General Smith and Mr. Thomson have been lifelong friends, their friendship dating from the time General Smith was stationed at Jefferson Barracks, years ago. The distinguished soldier was so charmed with his visit to the Thomson Arcadia home that he contemplates purchasing property there upon which to build a summer residence."
